

VILLAGE OF TARRYTOWN
PUBLIC HEARING NOTICE

PLEASE TAKE NOTICE that the Board of Trustees of the Village of Tarrytown will hold a public hearing on the 20th day of July, 2020, at 8:00 p.m. in the Municipal Building, One Depot Plaza, Tarrytown, New York 10591, either via in-person meeting, or Zoom Video Conference, depending on the State’s directives about gatherings under NY on Pause, to hear and consider enacting a local law, Chapter 259, Streets and Sidewalks to add additional requirements to Chapter 259.

Section 1. Be it enacted by the Board of Trustees of the Village of Tarrytown as follows (Language in **Bold and Underlined** to be added, language in ~~Strikethrough and bold and underlined~~ to be deleted):

Section 2. Amending Existing Provision. Chapter 259, Section 1 Entitled “Permit Required” is hereby amended as follows:

No person shall open up **the surface pavement or soil in any portion of public right of way, or** alter the grade of, dig or excavate in the roadbed, pavement or gutters of any street whatever except upon compliance with the provisions herein, and no person shall tunnel under the roadbed of any street, in whole or in part, for any purpose.

Section 3. . New Subsections to Existing Provision. Chapter 259, Section 5 Entitled “Obligations of permittees” is hereby amended to add the following new subsections to Subsection A:

(6) The permittee is responsible for the temporary repair of the trench. Temporary trench repair is to consist of two inches of asphalt concrete placed on top of the K-Crete backfill and level with the existing road surface. Temporary trenches shall be widened a minimum of one foot beyond the original cut or any crack developed from the adjacent pavement settling because of the excavation.

(7) The permittee is responsible for the permanent repair of the trench. All final pavement restoration limits shall follow the guidelines depicted in the minimum pavement restoration limits diagram attached to this Chapter. Any road or row disturbance not specified in the guidelines depicted in the minimum pavement restoration limits diagram attached to this Chapter, shall be at the discretion of the Village Engineer or Superintendent of Public Works or their designees and be in accordance with Village of Tarrytown construction specifications and details. Asphalt thickness and materials shall conform to the standard construction details maintained by the Village Engineer and/or the Superintendent of Public Works. The edges of all trenches shall receive a liberal application of asphaltic emulsion to seal edges.

Section 4: Severability

If the provisions of any article, section, subsection, paragraph, subdivision or clause of this local law shall be judged invalid by a court of competent jurisdiction, such order of judgment shall not affect or invalidate the remainder of any article, section, subsection, paragraph, subdivision or clause of this local law.

Section 5: Effective Date

This local law shall take effect immediately upon filing in the office of the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.
