

# BUILDING A FOUNDATION FOR FUTURE DEVELOPMENT

- A foundation that prepares the station area to be in line with what is best for all of Tarrytown

As the station area changes and continues to be developed, we want to add more wonderful places to live and work, to shop and dine and play. We want to make sure that development is coordinated and that all the puzzle pieces fit together for the benefit of the whole community.

What are your thoughts? Feel free to use the sticky pad to write a comment or idea. We'll read them all.
