Re: Final 2023-2024 Adopted Budget

This is to summarize the final budget document that is being submitted for adoption by the Board of Trustees on Monday, April 17, 2023. No changes were made during adoption that would affect the tax levy as discussed with the Board at the Work Session on Wednesday, April 12, 2023.

However, some changes, corrections and adjustments were made to the capital budget plan pages in order to make it more clear and transparent.

The end result of these changes for the Village of Tarrytown 2023-2024 Budget was:

- Tax Levy is \$19,482,248
- Tax Levy percentage increase was 2.88%
- Tax Levy Rate decreased to \$7.9625 per thousand dollars of value (M), a 3.85% rate decrease
- Total Assessments from the Greenburgh Town Tax Assessor are \$2,446,765,375
- Total General Fund Appropriations is \$29,657,874
- Total Water Fund Appropriations is \$6,573,243
- Total Library Fund Appropriations is \$1,894,248
- Total Sewer Fund Appropriations is \$237,970
- Grand Total All Appropriations is \$38,363,336

The Mayor, Board of Trustees, Department Heads and Staff are keeping a careful rein on Village finances, maintaining and enhancing services, while still recovering from a past gross loss of nearly \$1 million per year in revenue below pre-pandemic levels (mostly due to losses in parking and hotel tax revenues), which totaled over \$5 million. We thank the elected officials and staff for working together to achieve this consensus budget.

Re: Fiscal Year 2023-2024 Village of Tarrytown Tentative Budget

Honorable Mayor Brown and Members of the Board of Trustees:

In my capacity as Budget Officer for the Village of Tarrytown, I respectfully submit the tentative budget for Fiscal Year 2023-2024 (FY 23-24).

This proposed budget is the twelfth tentative Village budget that is subject to the New York State 2-Percent tax levy cap. Working collaboratively with the Board of Trustees and the Department Heads, all of the budgets that have been adopted by the Board of Trustees since the implementation of the tax levy cap have complied with the cap. This tentative budget continues that track record.

For the upcoming fiscal year, the tentative budget for FY 23-24 includes the following funds, totals and/or levy:

• General Fund Budget	Property tax levy of \$19,482,248	Total \$29,657,874
• Library Fund Budget	(library tax levy \$1,794,248 incl. w/levy)	Total \$ 1,894,248
• Water Fund Budget	Water Revenues of \$6,573,243	Total \$ 6,573,243
• Sewer Fund Budget	Sewer Revenues of \$237,970	<u>Total \$ 237,970</u>
	All funds:	Total \$38,363,336

Village Tax Levy

Pursuant to the ongoing policy direction from the Board of Trustees, I am submitting a tentative budget that meets the requirements of the New York State tax levy cap. Based on the State's calculation, we are proposing a tax levy increase of 2.88%, or \$545,172, which is less than last year's tax levy increase and tax cap compliant.

The tax levy cap is a percentage limit on the increase in the total tax levy, either the CPI or 2%, whichever is

lower. The TAX LEVY CAP (different than the tax levy rate) calculation for Fiscal Year 2023–2024 is included in Exhibit A, which is part of this budget message. The information included in the tax cap calculation is taken directly from the Property Tax Cap Form completed annually by the Village on the New York State Office of the State Comptroller website. Based on the New York State Inflation Factor of 4.23%, the levy limit for our budget this year defaults back to the maximum 2%, which translates into an Allowable Levy Growth Factor of 1.0200. In addition, because Tarrytown is experiencing continued growth, mostly from units coming online and being issued Certificates of Occupancy, we have a Tax Base Growth Factor this year of 1.0229. We also have a carryover from prior years of \$288,951.

Based on the total tax cap calculation, the Village has the ability to increase our total tax levy by \$1,109,208, a tax levy increase of 5.86% and still comply with the Two Percent Tax Cap. However, we are proposing to increase it only by \$545,172 and 2.88%. While we want to lose as little as possible of any of our NYS Tax Cap carryover from prior years, and we have fiscal needs in terms of capital expenses and paying judgments and claims (especially for certiorari), we propose to leave a remaining carry-over to be used in future years in the amount of \$564,036, some of which we will lose based on how the State applies the formula. The bottom line is that the Tentative 2023-2024 Village Budget complies with the 2% tax cap, and is actually less than half of the amount by which we could increase the tax levy and remain compliant with the State tax cap.

For comparison purposes, the chart below lists the amount that the tax levy could be increased and allow the Village to remain within the tax levy cap and the actual increase in the tax levy adopted by the Board of Trustees since the institution of the tax levy cap in 2012. You may note the tax levy was reduced in FY 15-16.

Fiscal Year	Tax Levy Allowable Increase	Actual Tax Levy Increase
FY 12-13	\$686,738	\$333,131
FY 13-14	\$1,081,435	\$322,860
FY 14-15	\$452,413	\$447,554
FY 15-16	\$464,800	(\$101,338)
FY 16-17	\$253,888	\$247,444
FY 17-18	\$454,989	\$424,474
FY 18-19	\$925,750	\$690,656
FY 19-20	\$900,823	\$824,600
FY 20-21	\$953,201	\$879,894
FY 21-22	\$841,798	\$564,896
FY 22-23	\$870,525	\$544,217
	Allowed	Tentative/proposed
FY 23-24	\$1,109,208	\$545,172

It is important to note the state law does not cap the actual TAX LEVY RATE that will be established by the Village. Since we transferred our Assessing function to the Town of Greenburgh, the Town is keeping property values current, reflective of the market. This tentative budget marks the seventh year that the Village is utilizing the Town of Greenburgh assessment roll for the Village. The Town recently updated its tax rolls and Tarrytown’s assessed full values established by the Town total \$2,446,765,375, up \$159,923,406 from last year. This means the total property values in the Village increased by six point nine nine percent (6.99%).

The TAX LEVY RATE per thousand dollars of value this year is proposed at \$7.9625, compared to \$8.2809 last year, which means the tax levy rate for Fiscal Year 2023-24 is decreasing by \$.3184 per thousand dollars of assessed value, or a 3.84% decline in the tax levy rate.

The development of this tentative budget reflects the same goal as previous budgets – to maintain the services our residents have come to expect with the minimum property tax increase to fund those services.

Economic considerations:

Of note, in the NY-NJ area over the past year (through January, 2023) the CPI for all items less food and energy rose 5.7%, the CPI-U increased 6.0%, food prices increased 8.4% and energy prices rose 4.4%. (Source: https://www.bls.gov/regions/new-york-new-jersey/news-release/consumerpriceindex_newyorkarea.htm).

In turn, unemployment was reported at 5.5% through January, 2023 (Source: <https://www.bls.gov/regions/new-york-new-jersey/data/xg-tables/ro2xglausnyc.htm>).

Inflation has been a challenge to the nation, and The Fed increased rates substantially over the past year to quell the impacts from inflation, raising the rates in increments from .25% to 4.75% over the period of March 2022 through February, 2023. (Source: <https://www.federalreserve.gov/monetarypolicy/openmarket.htm>).

- One key way in which The Fed rate increases have benefitted the Village are significant increases in revenues from interest earnings.
- Some key ways in which the impacts of inflation have negatively impacted the Village are significant increases in the costs of goods like fuel and energy and services like works contracts and construction.
- A way in which the Village’s strong financial position has helped us weather the tough economy while limiting the economic impact is shown by the recent purchase of debt to fund capital projects, which was secured at an effective rate for the 20-year borrowing of \$9,631,000 at a 2.875% True Interest Cost and 3.030% Net Interest Cost.

Impact of gas prices - the Village is very dependent on gas and diesel to provide our services and power our vehicles used by our Police, Fire, Public Works, Parks and Administration departments. The price of gas has declined 22% in the New York City Metropolitan Area over the past year from an average of \$4.263 per gallon on March 7, 2022, to an average of \$3.249 per gallon on March 6, 2023 (source: <https://www.nyserda.ny.gov/Researchers-and-Policymakers/Energy-Prices/Motor-Gasoline/Weekly-Average-Motor-Gasoline-Prices>). However, given the volatility of the energy market, we do anticipate prices to rise again this summer, with further possible price impacts if there are any impacts from hurricanes, storms or other global impacts to oil suppliers.

Federal ARPA Aid

During Fiscal Year 2022-2023, the Village of Tarrytown received our second of two payments of Federal American Rescue Plan Act (ARPA) aid to help local governments recover after the COVID-19 pandemic. Our last payment was in 2022 and all information we have is that this aid is not continuing. Therefore, the 2023-2024 ARPA budget revenue of \$583,075 will have to be replaced with other revenues.

Year to Year changes in the Budget:

A number of expenditure and revenue impacts on the tentative budget are listed below.

Expenditures

- During the Fiscal Year 2022-2023, the Village settled the CSEA bargaining unit contract for a four year term, covering the period of June 1, 2022 through May 31, 2026. Increases in salaries are reflected in increased personnel costs in the various departments. The PBA contract is valid through May 31, 2024.

- During the FY 2022-2023 Budget, the Village negotiated an agreement to help provide funding to the Tarrytown Volunteer Ambulance Corps (TVAC), so they can continue to provide ambulance services to the Tarrytown community. To help them manage an ongoing gap in their operational funding, the Village will provide funding for non-reimbursable calls, aka RMA calls, up to \$120,000 per fiscal year.
- Software packages – the Village has reached a point in time when we will have to address the current age and limitations of the software platforms used by the Treasurer’s Office and Building Department. We will continue to explore the most cost-effective software packages for the money to improve the functionality of the services in these departments. No specific costs have yet been determined for these upgrades, but we anticipate them to be significant.
- Cyber security – The Village, like many if not most other local governments, has faced constant challenges through malicious attempts to compromise our networks through spam, hacking, phishing and malware. We had a potential loss this year and have been working with our bank to attempt to stop a fraudulent transaction, the results of which are not yet clear, although the loss is insured. In order to continue to retain coverage of our cyber risk moving forward, we must implement additional safety protocols. We anticipate there may be additional costs associated with these additional cyber security safety measures, and there will be increased costs to obtain cyber liability insurance.
- Our liability insurance premiums have increased by approximately twenty three percent, which is an increase of a hundred and forty thousand dollars.
- The Village has made an additional commitment to expand our efforts to obtain grants, by retaining the services of a grant writing consultant, who will help us with researching and pursuing many grants we could be eligible for, ranging from grants to fund utility work to repair and upgrade our water system, to grants to fund new gear or equipment to benefit our firefighters. The annual cost for the services at this time will be \$36,000 per year, but we anticipate these fees will more than pay for themselves through the additional grants the Village will be able to realize.
- Police Reimbursable Overtime line – to improve clarity within the budget, the Village added a line under Police Overtime totaling \$25,000, with an offsetting number of \$25,000 in Revenues to reflect reimbursable overtime for police assigned to traffic control related to utility work or filming activities. The lines will be increased to show actual overtime spent, and actual revenues received, which will have a net-zero impact on the taxpayers, since the costs are reimbursable.
- The Recreation Budget personal services lines have increased by \$83,374 to cover salary increases and include a new senior recreation leader in order to enhance programming offered by the Recreation Department.
- Medical Cost savings – the Village was approached by representatives from the Municipal Employee Benefits Consortium (MEBCO) to consider changing from the NYSHIP medical plan to the MEBCO plan, both of which utilize the United Health Care network of providers. This change, in the first year, could help the Village realize savings of up to 10% on the medical premiums for employees and retirees. At this time while the CSEA and non-union employees and retirees are switching to MEBCO, the police and lieutenants employees and retirees are remaining with NYSHIP while we negotiate with them on this issue. So while the Village’s medical premium expenses are projected to increase overall by approximately \$240,000, without working to find savings by going to MEBCO, the expenses would have increased by approximately \$580,000 based on NYSHIP’s 17% increase this year, with more increases forecast for 2024.
- The two pension budget fund allocations are projected to increase across all funds by \$263,642 from this year to next year, roughly a 14.52% increase. This shows the negative impacts this year of the market and inflation on the investments of the New York State Retirement System.
- The Debt Service budget lines are scheduled to increase in FY 2023-2024, following the Village’s going to market for two fiscal years of debt – 2021-2022 and 2022-2023. This translates into an overall increase of approximately 17% for debt service payments across all funds, in large part due to major water system rehabilitation work. It is important to note that over the life of the debt, the Village saved

approximately \$1 million in additional interest by reducing the life of the debt from 28 years to 20 years.

Revenues

Overall, Revenues for the Village have been adjusted based on trends and actual experience in what we have received for various revenue streams.

Some of the 5 most important revenue streams we utilize, besides property taxes, are –

- Sales Taxes
- Mortgage Taxes
- Building Permit Fees
- Hotel/Motel Occupancy Taxes, and
- Parking Revenues from both on-street meters and parking lots.

However, it is important to note that these are projected in the Tentative Budget as follows (see chart):

Big Non-Tax Revenues	2018-19 actual	2019-20 actual	2020-21 actual	2021-22 actual	2022-23 Adopted	2023-24 Tentative	6 yr avg
Sales Tax (1120)	1,838,046	2,172,136	2,737,665	2,858,559	2,510,000	3,040,000	2,399,641
Mortgage Tax (3005)	218,618	259,252	266,950	336,875	250,000	250,000	236,637
Building Pmts (2590)	1,427,310	472,510	827,474	1,253,664	720,000	720,000	797,882
Hotel Tax (3006)	486,579	428,804	160,507	324,276	360,000	330,000	329,315
Parking (Lots)1720	772,366	769,995	194,750	306,558	215,100	382,200	425,829
Parking (Street)1740	1,094,091	941,606	420,288	875,498	616,500	909,000	730,081
Parking net	1,866,457	1,711,601	615,038	1,182,056	831,600	1,291,200	1,155,909
Total per FY	5,837,010	5,044,303	4,607,634	7,137,486	4,671,600	5,631,200	

It’s important to note that the Village is projecting – comparing 2018-2019 (the fiscal year ending before the pandemic) to the upcoming fiscal year 2023-2024 – a shortfall of \$731,836 on an annual basis in certain Big Non-Tax Revenues – specifically in Hotel Tax (3006), Parking Lots (1720), and Parking on-Street (1740). However, the overall gap in the “Big 5” has declined to \$205,810 between our peak revenue year of 2018-2019 of \$5,837,010 and our upcoming 2023-2024 fiscal year revenue of \$5,631,200, as we continue to see recovery.

The total estimated revenue decline from these five major revenue sources over the five year period of 2019-20 to 2023-2024, when added up, totals approximately \$5.586 million.

Gap Analysis of Big 5 Revenues:

	19-20	20-21	21-22	22-23	23-24	Total
Gap each year from the 2018-2019 peak	792,707	1,229,376	2,112,450	1,165,410	205,810	5,505,753

This year, based on a larger number of long-view water projects being undertaken and considered by the Village, we restored the transfer into the General Fund from the Water Fund. This is relevant since the Village is currently implementing a Village-wide water meter replacement project, which will be part funded with debt that has already been borrowed and part funded by water fund reserves, to achieve the total approximate cost of \$2.3 million. The benefit of purchasing the new meters will address the rapidly expanding number of meters that are reaching the age that they stop working, leading to a growing number of estimated water bills.

Budget Summary

Below, is a summary of the tentative budget proposals for the General Fund, Water Fund and Library Fund.

GENERAL FUND - The tentative budget for Fiscal Year 2023-2024 includes General Fund appropriations of \$29,657,874 and non-property tax revenues and fund balance of \$10,175,626. The appropriations/expenditures in the tentative budget increased by \$2,046,828, a 7.38% increase in spending. Non-property tax revenues and use of surplus increased by \$1,493,239 in the tentative budget, an increase of seventeen point two zero percent (17.20%). Part of the reason for the non-property tax revenue increase is attributable to the fact that we will no longer be receiving temporary Federal ARPA aid, which totaled \$583,075 per year for two fiscal years. This means we have to make up for this revenue stream through other means.

The tentative budget provides for an increase in the amount of the real estate tax levy by \$545,172, an increase of 2.88% from FY 22-23, which is lower than last year's tax levy increase and within the 2% cap because of our tax base growth factor of 1.0229 and allowable levy growth factor of 1.02. We are leaving \$564,036 of leviable taxes on the table, to be carried forward to next year for use next year if need be, although with the State's formulae, not all of that will be available next year.

- The proposed tax rate is \$7.9625 per \$1,000 of assessed valuation, a 3.84% reduction in the tax levy rate by \$.3184.
- Assessed Values increased from \$2,286,841,969 to \$2,446,765,375. This translates into a total increase in assessed values by \$159,923,406, by 6.99%.

The Expenditure Summary provides a breakdown of the expenditures (in general categories) in the tentative budget for the General Fund.

WATER FUND - The 2023-2024 tentative budget for the Water Fund provides for appropriations and revenues of \$6,573,243, up from the base expenditures of \$5,715,040 for 2022-2023, an increase of \$858,203 or 15.02% for base operations in the Water Fund. A large part of this is attributable to water main replacements, water tank rehabilitation, and the purchase and installation of the new water meters.

LIBRARY FUND - The tentative budget for the overall Library Fund is \$1,894,248, up from \$1,843,121, showing an increase of \$51,127, representing a 2.77% spending increase from the FY 22-23 adopted budget. Increases in the tentative budget were in salaries and related personnel costs and building maintenance.

Property Taxes:

Property taxes are the primary source of funding for the operation of municipal governments (Village, Town and County) and school districts in New York State. Although property taxes are commonly categorized together when residents refer to property taxes, it is important to distinguish the variety of taxing entities that receive property taxes for operational purposes and the level of property taxes each entity receives. Village taxpayers can then better identify the taxes paid and the services received by the taxpayer from each of those taxing entities.

The following charts provide information as to the tax dollars paid by a property owner assessed at the average assessed value in the Village and the proportionate share of the total tax obligation attributable to the various taxing entities that impact a Village property owner.

COMPARISON – AN ESTIMATE OF WHERE YOUR TAX DOLLARS GO
Comparison of Taxes Paid Based Upon Percentage of Tax Bill

Taxing District	Union Free School District of the Tarrytowns	Irvington Public School District
Town/County/Sewer/Solid Waste	12.29%	12.81%
School District	63.1%	64.1%
Village	24.61%	23.09%

Please note that the tables above reflect tax bills and consolidated rates for Town/County/County Sewer and County Solid Waste taxes. All taxes reflect tax bills issued for the differing 2022 taxing years, retrieved from tax bills and information published by the Westchester County Tax Commission.

The Village Administrator, as Budget Officer, is responsible for the development of the tentative budget, which by New York State law must be submitted to the Village Clerk on or before March 20 each year. The tentative budget is a collaborative document developed with the input and assistance from all Department Heads, the Assistant Village Administrator and in direct partnership with the Village Treasurer. Making the budget work through these trying times has been a team effort, and thanks are owed to all department heads and staff who worked so diligently to maintain our budget and make things work within continued tight conditions.

The tentative budget can be modified based upon decisions made by the Board of Trustees as the policy makers of the Village. The budget process provides an opportunity to solicit input from Village residents and other interested parties. The important dates associated with the adoption of a final budget are as follows:

- The Budget Public Hearing is scheduled for Monday, March 20, 2023, and may continue but must be adjourned on or before the budget adoption date, which is scheduled for Monday, April 17, 2023.
- Budget adoption by law must be on or before May 1.

The Department Heads, the Village Treasurer and I are all available during this tentative budget review to analyze any proposal that you believe should be considered during this process of creating the new Village budget for Fiscal Year 2023-2024. I would like to take this opportunity to thank the Department Heads, the Village Treasurer and her staff and Deputy Clerk Alissa Fasman for their invaluable assistance in the collection and creation of documents that contributed to the development of this tentative budget document. I also express my appreciation of the collaborative process we have in place working with you, the Mayor and Board of Trustees, as the policy making body for the Village of Tarrytown.

Respectfully submitted,

Richard Slingerland

Budget In Brief

FY 2023-2024

The Village of Tarrytown's FY 2023-2024 Annual Budget was prepared to meet the varied and diverse needs of the community.

BUDGET HIGHLIGHTS

The Tentative Budget includes an overall spending increase for all funds of 7.8% with appropriations totaling \$38,363,336.

Tax Rate and Tax Levy

The **tax rate** decreased this year by **3.85%**, dropping from \$8.2809 to **\$7.9625 per thousand dollars of assessed value**. Does this mean the average property owner's taxes will decrease? No – not necessarily. It depends on how much the value of the owner's property increased compared with everyone else.

The **tax levy** increased by **2.88%** to **\$19,482,248** – this is the total tax shared proportionately by property owners in the Village for FY 2023-2024.

The **overall taxable assessed value** in the Village increased by **6.99%** from \$2,286,841,969 to **\$2,446,765,375** – this is the total value of all taxable property in the Village as defined by the Assessor's office in Greenburgh.

Revenues:

- Parking revenue is projected to remain more than \$500,000 below pre-pandemic levels, while American Rescue Plan Act funds that helped replace lost revenue from the pandemic are not returning in 2023-24.
- Sales tax remains strong, projected to increase by more than \$500,000.
- With interest rates high, Village earnings on savings are projected to increase by \$355,000.
- Assiduous efforts to address the backlog of court cases that increased over the pandemic as well as the adoption of an online payment system has helped increase compliance for the Village Court, which is reflected in increased revenues.

Budget in Brief

FY 2023-2024

Expenditures:

- Pensions: +\$263,642 increase in pension costs due to the impact of market volatility on retirement system investments.
- Medical Insurance: +\$240,000, a 10% increase that was reduced in scale due to change in insurance provider. Without the change, medical insurance costs would have increased by 17%.
- Ambulance Corps: +120,000, a new line item expense that will reimburse the Tarrytown Volunteer Ambulance Corps for non-reimbursable calls, a measure to stabilize the local emergency response service, and to prevent the Village from having to transition to a more costly alternative.
- Rec Department expansion: +\$83,374, a Senior Recreation Leader dedicated to improving and increasing recreational offerings will become the third member of the department.
- Public Works expansion: +\$80,021, A new full-time water department laborer will be added to address the challenges posed by aging water infrastructure, and a part-time contractual position will provide back-up coverage for the water system operator after the retirement of a longtime Water Department employee with the required Class B License.
- Debt Service: +\$803,203, the Village went to market for two fiscal years of debt after a hiatus during the pandemic. The new bonds will pay for two years of capital spending including water infrastructure improvements.
- Liability Insurance: +\$140,000 Premiums increased on general liability, and the Village is taking on new costs for cyber liability insurance due to an increase in cyber-hacking challenges for local governments.
- Software: Software programs in the Building Department and Treasurer's office are aging and need replacement because they will soon no longer be supported by the manufacturer. Updating online permitting and accounting software. and introducing digital budgeting software will contribute to increased efficiency and transparency for government processes and services.

Tax Rate Summary FY 2023-24

For FY 2022-23, the tax rate per \$1,000 of assessed property valuation decreased by 3.85%, from \$8.2809 to \$7.9625. Does this mean the average property owner will pay less in taxes to the Village? Not necessarily. It depends on how much the value of the owner's property increased as well. The following definitions contribute to the Village's tax assessments each year:

Assessed Value: Assessed values estimate the reasonable market value of properties as of July 1 in the year prior. Since 2016, the Village has relied on the Town of Greenburgh's Assessor who maintains property values in line with the present-day market. Assessed Values increased by \$159,923,406 or 6.99% from \$2,286,841,969 to \$ 2,446,765,375 in FY 23-24.

Tax Levy: The Village's budgeted expenses less non-tax revenues and appropriations establishes the amount needed to be raised through property taxes. This net amount is called the Tax Levy. The annual increase in the levy is capped based on a NYS mandated formula. The tax levy cap for 2023-24, which includes a growth factor of 1.0229 and a carryover from last year of \$288,951 allows for a total increase in the tax levy of \$1,109,208. If the village were to increase the tax levy by the maximum allowed, the tax levy would be \$20,046,284. The Village's proposed tax levy increase for FY 2023-2024 is 2.88% or an increase of \$545,172. The total proposed tax levy is \$19,482,248 which leaves an unused allowance of \$564,036 this year.

Tax Rate: The tax rate is the tax levy divided by the total taxable assessed value of all property in the Village. The amount needed to run the Village is divided proportionately to each property based on assessed values. The Tax Rate for FY 2023-2024 is \$7.9625 per \$1,000 of Assessed Value which is 3.84% less than the previous year.

Fund Overview FY 2023-2024

The Village accounts are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. Government resources are allocated to and accounted for in individual funds based upon purposes for which they are to be spent and the means by which spending is controlled.

GENERAL FUND The General Fund is the primary operating fund used to account for the vast majority of general government activity and services provided to Village residents, except those required to be accounted for in another fund. This includes services provided by the Village Board of Trustees and the Village Administrator as well as the administrative offices of the Court, Treasurer, and Clerk. The public safety services of the Police and Fire Departments as well as Code Enforcement are paid for through the General Fund. This year, the Village is also subsidizing the Ambulance Corps through the General Fund. Engineering, planning, and building inspection services as well as culture and recreational activities provided by the Recreation Department and maintained by the Parks Department are covered by the General Fund. Services provided by the Department of Public Works including sanitation, street maintenance, snow removal, street lighting and vehicle maintenance are accounted for in the General Fund. A proportionate share of salaries for Executive Administration, DPW and Building Department personnel are accounted for in the Water Fund.

Total General Fund expenditures and revenues for FY 2023-2024: **\$29,657,874**

WATER FUND: The Water Fund accounts for the water utility of the Village which renders services primarily on a user charge basis to the general public. Fees from water usage and meter sales pay for all personnel, equipment, supplies, and administrative costs associated with supply, purification, filtration, transmission, distribution and facility maintenance for customers of the Village's water utility. The Water Fund also finances the debt incurred by large capital improvements to the Water System. The Village is still in the process of implementing Phases 7 and 8 of a multi-phased approach to improving water infrastructure. Depending on consumption and revenue, the Water Fund can provide funding to the General Fund as allowed by General Municipal Law.

Total Water Fund appropriations and revenues estimated for FY 2023-2024: **\$6,573,243**

Fund Overview FY 2023-2024

SEWER FUND: The sewer fund accounts for maintenance of the sanitary sewer system including personnel, equipment, supply, administrative and maintenance costs. The sewer fund is financed by supplementary sewer fees charged to users of the water system based on water usage.

Total Sewer Fund appropriations and revenues estimated for FY 2023-2024: **\$237,970**

LIBRARY FUND: The Library Fund accounts for the operations of the Warner Library, a service shared between the Villages of Sleepy Hollow and Tarrytown. According to the agreement signed in 2019, Sleepy Hollow contributes 46.73% and Tarrytown contributes 53.27% of the costs and expenses of operating, maintaining and repairing the land, building and facilities of the Warner Library. Sleepy Hollow pays Tarrytown its share of Library expenses in twelve equal installments throughout the year. In FY 2023-24, appropriations for the Library Fund are \$1,894,248 with Tarrytown's portion set at \$924,420 and Sleepy Hollow's at \$810,928. The Library fund is also financed through a number of other sources including monies from the Westchester Library System and interest earned on major bequests.

Total Library Fund appropriations and revenues estimated for FY 2023-2024: **\$1,894,248**

Revenue Summary FY 2023-2024

The Village of Tarrytown receives revenue from a variety of sources, including taxes, user fees and charges, licenses and permits, and the State and Federal governments. In order to project future revenues, the Village uses a conservative historical analysis. The financial team also incorporates any major outside factors which may affect the overall environment of the coming fiscal year, such as changes in state laws or general economic growth or contraction. By analyzing historical trends and foreseeable future changes, the financial team tries to ensure stability in Village finances, and avoid either budgetary shortfalls or excess collections.

General Fund Revenues By Source FY 2023-24

Total General Fund Revenues: \$29,657,874

Revenue Summary FY 2023-2024

Property Tax and Other Tax Items: \$19,550,337

Property taxes are the most significant revenue source contributing to the Village budget. The Village relies on the Town of Greenburgh's Assessing function which since 2016 has maintained property values in line with the present-day market. This year's taxable assessment roll for Tarrytown totaled \$2,446,765,375. The Village's proposed tax rate this year is \$7.9625 per thousand dollars of value which is down 3.84% from last year's rate of \$8.2809 per thousand dollars of value.

The property taxes that Tarrytown property owners pay to the Village are less than a quarter of the overall property tax bill. In Tarrytown, 63.1% of property taxes are paid to the school district, and another 12.29% are paid to the County and Town. For the Village budget, property taxes contribute 66% percent of annual appropriations. This category includes \$19,482,248 of the property tax levied on owners, as well as \$18,089 in payments in lieu of taxes (PILOT) which come from the Tarrytown Municipal Housing Authority, and \$50,000 in interest and penalties levied on delinquent taxpayers.

Property Tax and other tax items

Real Estate Property Taxes: \$19,482,248

Payments In Lieu of Taxes: \$18,089

Interest & Penalties on Taxes: \$50,000

TOTAL: \$19,550,337

Sales Tax: \$3,040,000

Sales taxes are imposed upon retail sales of tangible personal property and/or the consumption of goods and/or services, and are governed by §1210 of the Tax Law. As of August 1, 2019, the 8.38% sales and use tax rate applies to all of Westchester County outside of the cities of Mount Vernon, New Rochelle, White Plains, and Yonkers. The State collects the sales tax, distributes proportionate shares to the MTA and the Counties. Westchester County then allocates a proportionate share to the Village based on population as determined by local agreement. Sales taxes have remained on a positive incline even throughout the pandemic and account for a hefty 10% of the Village budget.

Revenue Summary FY 2023-2024

Other Non-Property Tax Items: \$1,023,000

Other taxes collected by the Village include gross receipts taxes from local utilities which charge a fractional percentage of gross operating income of utility companies including electric, gas, and telephone companies operating in the Village. The Village also receives a Franchise fee from local cable providers as well as a distribution of the Hotel Occupancy Taxes and Mortgage Recording Taxes collected by the County.

Non-Property Tax Items

- Gross Receipts Electric: \$230,000
- Gross Receipts Gas: \$12,000
- Gross Receipts Telephone: \$26,000
- Cable Franchise Fee: \$175,000
- Mortgage Tax: \$250,000
- Hotel Tax: \$330,000
- TOTAL: \$1,023,000

Fees for Government Services: \$3,118,200

The Village government provides a number of services for which it collects fees based on use rather than overall tax. From pool memberships and camp fees, to parking in the commuter lots and at street meters, to licenses and permits issued by various departments. This category also includes charges to other governments for services provided by Tarrytown including the fire protection services we provide to the Glenville Fire District, and the snow removal services we provide on State and County roadways. While parking fees in this category decreased significantly due to the COVID-19 pandemic, building permits remained strong and increased.

Fees for Government Services

- Public Safety: \$169,500
- Transportation: \$1,384,000
- Departmental fees: \$441,000
- Home and Community: \$40,000
- Licenses and Permits: \$789,000

Revenue Summary FY 2023-2024

Use of Money and Property: \$533,200

This revenue category includes interest earnings from investments and rental income from the use of Village property. The Village earns rental income from properties used by entities including the Washington Irving Boat Club and the Elizabeth Mascia Center. The Village also receives payments based on an easement agreement with the Village of Briarcliff for use of the property for their water system pump station.

Use of Money and Property

Interest Earnings: \$360,000

Rent of Property: \$130,000

Rent from Government: \$1,000

Commissions: \$1,200

Briarcliff Manor Easement Payment: \$41,000

Total: \$533,200

Fines and Bail Forfeitures: \$694,500

Fines and Bail Forfeitures reflect revenue generated by the Village Court as well as reimbursements from the Village's insurance companies.

State and Federal Aid: \$83,637

This category includes funds the Village receives from the State for the Aid and Incentives to Municipalities (AIM) program based on population size. AIM funds have not increased in 12 years and are currently set at \$83,637. The Village will no longer receive Federal assistance from the American Rescue Plan Act (ARPA).

Use of Fund Balance: \$1,070,000

When the Village has surplus funds left over from the previous year, the funds can be applied in the new fiscal year when necessary. For FY 2023-2024, the Village is using \$995,000 of undesignated surplus and \$75,000 of debt service reserve to stay within the tax cap while accounting for lost revenues from which the Village is still recovering.

Highlights FY 2022-2023

- **Infrastructure:** Installed new sidewalks, street trees and pedestrian safety enhancements through the Downtown Streetscape Improvement, Phase II of which will continue in FY 2023-2024. The paving of Rt 9 was completed by NYS and through lobbying efforts of this and prior boards, the project was expanded to include the repair of the southbound turning lane to 87/287.
- **Environment:** Partnered with Cornell University and the Department of Environmental Conservation to conduct the Climate Adaptive Design Studio, a program that engaged Landscape Architecture Graduate Students to examine the Tarrytown waterfront from the perspective of climate resilience in view of rising water levels over time. Next steps: translating vision into practical projects to ensure the waterfront can be enjoyed by Tarrytown residents for many years to come.
- **Housing Affordability:** Acting in line with the Comprehensive Plan’s goal of diversifying and increasing housing stock availability, the BOT passed and will institute a pilot initiative to allow an accessory dwelling unit in single-family residential zones. This low-impact zoning change gives property owners more flexibility to remain in their homes while adding additional housing units to the Village.
- **Public Safety:** Tarrytown Volunteer Ambulance Corps will be able to maintain its high level of service to residents in need of emergency medical care with support from the Village. Paying TVAC for otherwise non-reimbursable ensures solvency for the local Corps, and prevents the much larger expense that would be required if the Village had to contract with a private firm. The Village won a grant for new safety equipment for our Volunteer Fire Department and completed long-awaited repairs to several firehouses. Vacancies in the Police Department due to retirements were finally all filled this year. The diversity of these impressive new recruits has created a force more reflective of our community.
- **Resident Communications:** Launched a new and improved bi-monthly newsletter, introduced a new Village Facebook page and re-worked the budget document to make it clearer and easier to read. Next steps: the Village has engaged with ClearGov to launch a Digital Budget Book in time for the beginning of FY 23-24 which will further enhance user access to budget information.

Mayor and Board of Trustees

- **Recreation and Community:** Focused on improving Recreation Department offerings by hiring a new Recreation Superintendent 2022-23 saw the return of our Parades since the Pandemic. Tarrytown hosted the 2022 FASNY convention and parade in August and enjoyed our best Halloween Parade yet. The Village supported other opportunities to gather and celebrate as a community including summer Outdoor Dining events, an Arbor Day celebration with John Paulding students and Revolutionary Westchester at Pierson Park. Residents enjoyed a new Dog Parade at Patriots Park, and an expanded Winter Stroll and Holiday Tree Lighting event in partnership with the Chamber of Commerce and TaSH market. TaSH continues to flourish at Patriots Park, due in part to the successful collaboration with Village Parks Department

Looking Ahead: FY 2023-2024

- **Cultivate communications:** The Board is committed to ensuring that residents have the information they need regarding government services and legislation. Projects on the horizon: adding a print mailer to the channels of communication and adding more Spanish-language communications for non-native speakers.
- **Invest in Personnel:** To improve Recreational programming and support the high demand of aging infrastructure in the Water Department, the Village will be hiring two new employees: A Senior Recreational Leader and a DPW Laborer in the Water Department.
- **Upgrade efficiency:** Obsolete and unsupported software currently used by the Building Department, DPW, Treasurer and Clerk's offices must be replaced. Not only will these upgrades make Village Hall more efficient, but they will also enable online permitting and make interacting with local government processes easier, clearer, and more convenient.

Department Description

The Village of Tarrytown operates under the council-manager form of government. The Board of Trustees is the governing body and consists of a Mayor and 6 Trustees who appoint a professional Village Administrator who serves as the Chief Administrative officer for Village government services. The Mayor is the Chief Executive Officer of the Village and presides over meetings of the Board of Trustees. The Mayor and the Board set the overall vision for the community by establishing policy, adopting local laws and resolutions, and controlling the raising and appropriation of funds.

The Mayor and Board of Trustees are responsible for appointing all non-elected officers and employees, as well as volunteers on Boards and Committees. The Mayor and Trustees are each elected to two year terms of office, with no term limits on length of service.

The Mayor and Board of Trustees work together with the professional staff of the Village of Tarrytown, the appointed Land-Use Board Volunteers, and all employees of the Village of Tarrytown's Police, Fire, Public Works, Building Department and Administrative Offices to provide the vital services of a high quality, local, municipal government.

Highlights FY 2022-23

- Through the efforts and determination of the Court Clerks and part-time staff, the Court was able to achieve its goal of significantly reducing the backlog of cases that compounded during the pandemic. It is expected the remaining backlog for 2022 will be eliminated by Fall of 2023.
- In April 2022, the Court resumed night court sessions which are held one night per month.
- As a result of these Court initiatives, the Court’s revenue in 2022 significantly increased from 2021. In 2021 the Court’s annual revenue was approximately \$545,320 and in 2022 the annual revenue increased to approximately \$1,213,997.
- With a grant applied for and received from the Unified Court System, the Court purchased new metal detectors and made much needed improvements to the administrative offices.

Looking Ahead FY 2023-24

- The Village Court Clerk of 32 years, Maggie Hernandez , is retiring in July 2023, and will be deeply missed. The Court is currently interviewing candidates for her replacement and has been given permission by New York Civil Service to allow Maggie’s replacement to shadow her for the 90 days leading up to Maggie’s retirement.
- The Justice Court's salary line item - A-1110.101 – has increased by \$56,279 to accommodate both the salary increases for court staff stipulated in the CSEA contractual settlement as well as a training and transition period for the new Court Clerk.

Department Description

The Village of Tarrytown Justice Court provides court and related administrative services for civil and criminal matters, small claims, vehicle and traffic, parking fines and penalties. Family court cases are heard at the County level.

Criminal cases are heard on Wednesday mornings and civil, small claims and traffic cases are heard on Thursday mornings. After a hiatus during the COVID-19 pandemic, night court resumed in April 2022, one Thursday evening per month.

In addition to the Village Justice and Acting Justice, the Court employs two full-time clerks and two part-time clerks to process fines and penalties, coordinate hearings and trials, correspond with and coordinate with local, County, and State law enforcement, research cases, answer questions and manage and process all associated documentation and record-keeping.

The court employs two part-time guards to provide security when court is in session. One officer is assigned to the entrance to screen individuals coming into the courtroom and the second is assigned inside the courtroom to oversee and protect the public and court staff.

Grant writing firm: The Board engaged Millennium Strategies, the same grant writing firm used by Sleepy Hollow and other municipalities in the region, which increases the Administrator's budget by \$36,000.

Department Description

The Village Administrator is responsible for the day-to-day operation of Village affairs and for implementing Village policy once adopted by the Board of Trustees. The Village Administrator makes recommendations to the Board of Trustees relative to operations, capital planning, budgeting, debt management, and strategic and long-range planning.

Pursuant to Chapter 5 of the Code of the Village of Tarrytown, the responsibilities of the Village Administrator include, but are not limited to the following:

- Oversight of rules, regulations, ordinances, local laws and codes of the village to assure that they are fairly and efficiently administered.
- Supervision and coordination of the activities of all village departments.
- Oversight and coordination of the work of all village employees.
- Implementation of the personnel policies, rules and regulations of the village.
- Representation of the Village in collective bargaining with unionized employees.
- Serve as Budget Officer.
- Control of expenditures within amounts appropriated in the annual budget.
- Supervision of the purchase of all materials, supplies and equipment and the letting of all contracts.
- Serve as liaison with other governments and administrative agencies but not supplant the Mayor or Trustees as official representative of the Village.
- Investigate and respond to all inquiries by Village residents and other interested persons concerning Village government operations and services.
- Serve as Public Information Officer, particularly with local news media.

The Village Administrator’s office includes an Assistant and Secretary to help manage daily operations.

1325 TREASURER	\$468,314	\$403,436	\$417,861	\$14,424	3.58%

Budget Highlights

- Sales tax continues to be a major source of revenue for the Village. Sales tax has increased progressively over the past decade and we are on trend to surpass what was collected in the prior fiscal year by 10%.
- Parking Revenue declined dramatically over the past few years due to the pandemic and the effect it had on the workforce. We are happy to see that parking revenue is bouncing back and look forward to continued improvement.
- Hotel Tax Revenue has steadily increased since the height of the pandemic in 2020 and we expect it to continue to grow.
- Building Permits are leveling off from their highest years but remain a steady stream of revenue for the Village.
- Interest earnings have increased due to the increase in rates by the Federal Reserve.

FY 2022-23 Highlights

- Hiring and Promotions: The most significant event in the Treasurer’s Department in FY 22-23 was the unprecedented turnover that took place after the departure of longtime Treasurer Jim Hart who retired after 20 years. Deputy Treasurer Antoinette Morales was promoted to Treasurer in April 2022. Accounts Payable Clerk, Azucena Molina, who has worked for the Village for (25) years, was promoted to Deputy Treasurer. Indiana DelValle, who has worked for the Water Billing Department for (25) years, took Azucena’s position as Accounts Receivable Clerk. Intermediate Clerk Ben McCoy, was promoted to Accounts Payable Clerk, and the Village hired a new Clerk for the Water Billing Department, Alexandra Algaba, who came to the Village from the private sector. Diana Barry was also hired to fill a finance clerk vacancy in the department. The staff continue to adapt to their new positions and the fresh eyes in each new position have brought a welcome vitality to the Department.

Looking Ahead: FY 2023-24

We will continue to look for ways to do our jobs while serving the residents in a more efficient and effective manner. We hope to achieve this with the implementation of newer technology and a commitment to training and education provided by the state and the county usually at no cost to the Village.

- New software: The Treasurer’s office will be exploring new accounting programs to update the KVS software currently used by the Department.
- New Auditors: We entered into a contract with a new auditing firm and look forward to leveraging their many years of experience to help us achieve our goal of higher efficiency in our day to day processes.

Treasurer

Department Description

The Treasurer's Department is responsible for the collection, disbursement, investment and accounting of all Village funds.

Village taxes are billed in May of each year and collected twice annually in the months of June and December. Tax rates are established through the budget process and assessed value is determined by the Town of Greenburgh. Taxes are the largest source of revenue for the Village and every effort is made to audit payments for accuracy and compliance with NYS Finance regulations.

Water rents are also billed and collected by the Treasurer's Department. Commercial accounts are billed on a monthly basis while residential accounts are billed quarterly. The revenue from the sale of water is used to offset the cost of purchasing water from New York City as well as for upkeep and maintenance of the water system.

Parking permits are issued by the Treasurer's Department for all of the various parking facilities in the Village. Permits can be purchased on an annual basis or prorated based upon the time of year in which they are acquired.

The Village's bills are prepared, audited and paid twice monthly by our Accounts Payable Unit. Entry of the bills into the accounting system is a decentralized function that is performed by each department. Auditing of the bills is the responsibility of the Treasurer's Department and all bills require dual authorization. Ultimately, bills are approved by the Board of Trustees and checks/wires are processed two business days following the BOT Meeting date.

Processing of funds received by the Village is performed on a daily basis by our Accounts Receivable Unit. Bank deposits are made daily and bank reconciliation is performed monthly. Payroll and Benefits Administration are the responsibility of the Treasurer's Department. Payroll is processed on a bi-weekly basis and the administration of benefits is ongoing, as needed. The filing of all related government forms due monthly, quarterly and annually are done by this department.

The Treasurer's Department is open Monday through Friday from 8:30 a.m. until 4:30 p.m. We look forward to serving the residents of the Village of Tarrytown and will continue to strive to achieve the highest level of customer service and customer satisfaction.

Looking Ahead: FY 2023-24

- Film permit revenues continue to increase. The Village Clerk has networked with other municipalities, increasing the Village presence among film industry professionals. The Clerk works with other staff to make Tarrytown an easy and convenient place to host film productions while balancing the needs of Village businesses and residents. Half of all downtown film permit fees are deposited into a downtown improvement fund which pays for amenities like seasonal hanging flower baskets.
- In the new fiscal year, the Clerk’s office will participate in the implementation of a new online permitting software program to facilitate easier applications.

Department Description

The Village Clerk is a public official, appointed by the Mayor and Board of Trustees to a two-year term. The position reports directly to the Mayor, Board of Trustees and the Village Administrator.

The Village Clerk is the custodian of all Village records, kept, held, filed, produced or reproduced by, with or for the Village, in any physical form and is responsible for the administrative work of the Village. At Board of Trustee meetings, the Village Clerk also serves as Clerk of the Board and keeps records of the meetings.

The Clerk’s office issues various licenses and permits for taxis, peddlers, sidewalk cafe, sidewalk vending, cabaret, film, carting, green industry contractors, fishing, kayak, and handicapped parking permits.

The Village Clerk serves as the Public Access Information Officer and processes requests for records under the Freedom of Information Law, works as the local liaison to the Westchester Board of Elections for the Village Elections held in November, is an appointed Marriage Officer, and also serves as the Registrar of Vital Statistics who maintains and issues certified copies of birth and death records in the Village.

The Village Clerk also serves as Personnel Officer, responsible for posting job openings, receiving employment applications, canvassing of Civil Service lists, and acts as liaison between the Westchester County Department of Human Resources and the employees. Additionally, the Village Clerk coordinates all of the Village’s Liability and Workers Compensation Claims, and is a Notary Public.

	ENGINEERING AND BUILDING		\$481,529	\$629,637	\$630,251	-\$5,886	-0.93%

Highlights FY 2022-23

- Higher revenues: Revenues generated by the permitting process for Building Department applications remained strong during the pandemic as homeowners and businesses took the opportunity to make improvements. The activity is expected to level off in the coming year.
- New personnel: The Building Department added an Assistant Engineer to the Department staff to assist with capital bid preparation and project management with the goal of increasing efficiency and reducing consultant expenses. The part-time Code Enforcement officer also became a full-time position to ensure compliance with Village safety codes and regulations.

Looking Ahead: FY 23-24

- New software: The Department will be upgrading permitting software which will improve efficiency by facilitating the filing of various types of permits online with automatic notifications throughout the review process.

Department Description

The Village Engineer is the Department Head of the Building Department, who also oversees the operations of the Engineering, Planning, Zoning and ARB divisions. The Building Department receives and reviews applications, drawings and plans for Building, Plumbing, Electrical, Sign, Demolition, Solar, Tree, Site Plan and Variance applications. The Department helps navigate applications through the entire approval process and through the course of construction. The review and permitting process ensures compliance with State, County and Local codes. The Building Inspector conducts plan reviews and performs inspections, prepares documentation and reports to various government agencies for the coordination on health, safety and environmental reviews, and works with the Code Enforcement officer to maintain a high standard of safety and code compliance for all construction inside village borders including MS4 (Stormwater) and Cross Connection Control (backflow prevention) and private fire hydrant compliance.

Engineering and Building

The Engineering Department provides a variety of engineering services designed to protect the public welfare of the community. Working with the various Village departments; Public Works, Water, Parks, Fire and Library the Village Engineer provides technical and administrative services in support of general Village operations as well as the responsible development of Village infrastructure, including roads, sidewalks, bridges, water and sewer mains. The Village Engineer oversees plan reviews and inspections with State and County and local agencies for various capital improvement infrastructure projects. The Village Engineer oversees the application and permitting process for the Building Department and the coordination and support for the Village Land Use Boards.

The Department is supported by Administrative staff who work with the Engineer, Building Inspector, Code Enforcement officer and Land Use Boards to maintain a high level of service to process and review project applications in a timely manner.

Highlights FY 22-23

- The Department continued to invest in community engagement by partnering with the Life Center (Family Feud, Minute to Win It), expanding our annual toy drive, sponsoring a Family Fun Day for over a 100 local children, tours for local youth groups, participating in the local Trunk or Treat and interacting at local school events.
- We have continued to address growing traffic concerns within the Village. Recently a solar-powered speed indicator was placed on Benedict Avenue.
- This past year we were partners with our mental health professionals in rolling out the newly formed mental health crisis response team which assists officers on calls associated with those suffering from mental illness.
- With the return of special events in the Village, the Department was instrumental in providing a safe and secure environment for several local events (Halloween Parade, Main Street Fair and Fire Department Parade).
- Entered into a partnership with Westchester County Community Services/Domestic Violence in training all officers to utilize a Lethality Assessment Screening Tool in the course of all domestic violence calls.

Looking Ahead: FY 2023-24

- This fiscal year the Department will be purchasing a police patrol motorcycle which the Department has not had in approximately 50 years. This vehicle will be instrumental in assisting with special details/events, traffic enforcement, patrolling areas not accessible by a car and providing a more open atmosphere to the community.
- The Department will also be purchasing its second hybrid patrol vehicle which will help the Department do its part in being environmentally conscious.
- The accreditation process is in its final stages with a goal of having it completed within the upcoming fiscal cycle.
- A new line item was added this year, reimbursable overtime. Residents should know that this line item, while listed as an expense does not have any impact on the tax levy. It is offset by a revenue line item which is funded by outside contractors who reimburse the Village for our officer's services.

Village of Tarrytown

Police Department

Department Description

The mission of the Tarrytown Police Department is to ensure the constitutional rights, peace, and safety of all persons; to protect and preserve property; to serve; and to maintain good order within the confines of the jurisdiction. As a public service provider it is our sworn duty to enforce enacted federal, state, and local laws in a fair and impartial manner. We strive to offer efficient, professional, and courteous response to all calls for service regardless of their nature or degree of urgency. In order to achieve our commitment, we recognize the need to be flexible and attentive to the concerns of the community and accept the responsibility for maintaining open communications with community agencies and their representatives.

In order to accomplish these goals, the budget provides for 34 full-time sworn officers, 2 civilian administrative assistants, 2 full-time parking enforcement officers and one part-time parking officer. The Department is a full-service Department, meaning we operate 24 hours a day 7 days a week. Last calendar year the Department handled over 12,000 calls for service.

The Police Department promotes public safety and provides services through different units within the organization:

Patrol/Field Services Division:

The patrol/field services division is led by a Lieutenant. As is the case in police departments in general, the patrol division is the backbone of the organization. This division preserves the rights of citizens, maintains peace and order and promotes a community involved approach. It is comprised of (7) patrol sergeants and (20) patrol officers. One patrol officer is assigned to the Greenburgh Drug and Alcohol Task Force. This division is specifically responsible for initially handling all calls received for service, traffic enforcement (including parking), suppressing all levels of crimes including quality-of-life issues and providing a safe environment at both Village sponsored and non-sponsored events.

The patrol division also maintains the duties of emergency dispatching. They maintain our 911 call center, answer administrative phone calls and dispatch for all branches of emergency service (Fire, Police and EMS). We continue our partnership with the local schools to keep Tarrytown children safe, conducting intermittent, frequent checks and fostering a healthy relationship with staff and students.

Administrative Division: The Administrative Division is led by a Lieutenant who oversees three divisions. The Investigative/Detective Division is comprised of (3) detectives and the officer assigned to the Task Force who are directly supervised by (1) detective sergeant. This group investigates crimes and suspicious activity, gathers, secures and presents evidence for the successful prosecution of criminals, works with numerous other investigative agencies on a local, state and federal level to investigate and prosecute criminal conduct. A member assigned to this division, if not working, is available and on call 24 hours 7 days a week.

Police Department

Traffic/Parking Division is also under the Administrative Division where they coordinate with the Department of Public Works in maintaining and installing parking signs and other control devices. There are also (2) full-time and (1) part-time parking officer tasked with enforcing Village and State parking regulations. The parking enforcement officers are also vital to assisting patrol officers at designated school crossing zones.

Training is also under the control of the Administrative Division. This past fiscal year the department conducted just over 2,500 hours of training for its members. This current cycle the goal is to continue our training goals in required areas such as but not limited to; firearms, first aid, mental health, legal updates and duty to intervene training. In addition, we have committed to incorporating contemporary topics into our training regimen including: anti-bias in policing, implicit bias and procedural justice.

Staff Services Division: This division is fairly new to the department and was created originally to handle new Discovery Laws enacted by the State Legislature. This division is headed by a Lieutenant who works in conjunction with both the patrol and administrative divisions. This Lieutenant coordinates the department's efforts to meet all guidelines associated with NYS discovery mandates, facilitates our body worn camera program and serves as support for both other Lieutenants.

This division is also tasked with acting as the department's accreditation manager. We are currently in the process of receiving NYS Accreditation status which translates into the Department being in compliance with over 110 standards set by New York State. Once accredited this division will oversee, on a daily basis, that we remain compliant with all applicable standards. In conjunction with this process staff services maintains the general orders and rules and regulations of the Department. We have recently digitized this process allowing officers to easily refer to standards and rules set by the department.

Lastly, this division also directly participates in all internal affairs investigations as directed by the Chief of Police.

Administrative Assistants: The Department is staffed with (2) full-time civilians, a senior officer assistant for police department and office assistant. The tasks performed by these individuals are numerous and include such responsibilities as: alarm permits/billing, processing accounts payable, coordinating the archiving of records, processing arrest paperwork, freedom of information requests, domestic and accident report coordination with NYS and liaison to our record management system vendor.

-----------------	------	-----------------	-----------	-----------	-----------	----------	-------

Highlights FY 2022-23

- The Department responded to 642 calls for service in 2022 which included responses to fires, to medical incidents, and other types of service calls.
- The Department hosted the FASNY Annual Convention and Parade in August 2022 which brought 45 departments from across the state to Tarrytown.
- A kitchen renovation at Riverside Hose Engine 80 was completed.
- LED lighting was installed at Main Street Fire House.
- The apron for the curb at Main Street Firehouse was awarded and will be replaced when the weather permits.
- The roof at Main Street was approved to be replaced this coming year.
- The Department replaced 20 air bottle cylinders.
- The Department acquired a new Chief's vehicle as part of the regular rotation of vehicle replacement.
- A new fence was installed at engine 77.
- The Department acquired a Fit Tester to ensure the proper fit for protective face masks for firefighters. The equipment was funded by a grant award from the Assistance to Firefighters program, which will also fund the installation of new washer/dryers for two companies, and an exhaust system for Washington engine, These improvements protect firefighters from the carcinogenic risks they face in the course of their firefighting duties.

Looking Ahead: FY 2023-24

- The Fire Department budget remains modest with necessary increases for emergency and safety equipment replacement and increased fuel costs.
- Inflationary costs have impacted replacement parts and basic equipment needs as well, with many replacement needs coming due in the next year.
- The Village will be working with the Fire Department to extend the docks for the Fireboat, for which operations are impaired at low tide due to the silting of the river.
- The Village and the Fire Department will continue to repair and upgrade fire houses as needed, working off of an inventory of identified needs.

Fire Department

Department Description

The all-volunteer Tarrytown Fire Department has provided residents of the Village of Tarrytown with fire protection for over 150 years. The Fire Department responds to the community's needs by providing professional services that are crucial to the safety, health, and welfare of the community. This is accomplished through fire suppression, fire prevention, and public education.

The Tarrytown Fire Department is in Battalion 14 which includes, Hastings, Dobbs Ferry, Ardsley, Irvington, Elmsford, Fairview, and Hartsdale Fire departments. Tarrytown is the second largest volunteer fire department in the county.

The Tarrytown Fire Department operates with 1 Ladder truck, ladder 37, 1 Tower ladder, TL78 four Engines E-76, 77, 79 & 80, two Utility Trucks, UT 61, and UT 148. 3 Chief's Vehicles 2461, 2462 & 2463, one Fire Boat, Marine 5 and two small rubber boats Marine 31 and the "Lake boat" which can only be used in the lakes. The department responds on average to 700 emergency calls a year.

There are six (6) volunteer fire companies, Conqueror Hook & Ladder ladder 37 located at Main Street, Phenix Hose engine 76 located on Central Ave., Consolidated Engine, engine 77 located on Sheldon Ave., Washington Engine tower Ladder 78 located on Rt. 119, Hope Hose engine 79 located at Main street and Riverside Hose engine 80 located at the bottom of Franklin Street. The companies operate out of five (5) fire stations with over 200 volunteers.

The Tarrytown Fire Department is a very well-trained department taking numerous courses and hands on training some examples are, Live Burns, Ladder Operations, Ice Water Rescue, Vehicle Extrication, Metro North, First Aid and CPR, Officer Development, Elevator Rescue, Low Angle Rope Rescue and many more. The department has trained for over 1,200 hours since April of 2021.

The Department also provides the community with fire prevention to the schools and daycare centers within the village. The Department also reaches the Village residents at the Duck Derby and the Main Street fair. This year on August 13, 2022 the Tarrytown Fire Department will be hosting the 150th anniversary of the Fireman's Association State of New York (FASNY) parade. This department was asked by FASNY to host this event which is a great honor.

The Department covers a large area that is not just the Village of Tarrytown. We cover the New York State Thruway from the Yonkers toll booth to the opposite side of the Gov. Mario Cuomo Bridge. We also cover the Hudson river; Tarrytown is one of only a few departments that still have fire boats in the water. The Fire Department also provides help to the surrounding departments and within the County of Westchester, this past year we have gone to Millwood, Port Chester, and Mamaroneck along with the numerous calls to the surrounding villages.

Highlights FY 2022-23

- Resurfaced over 4 miles of roads (14 streets) in 2022, thanks in part to the Con Ed restoration as well as the multi-municipality contract funded by the State.
- Recycling has increased, as has Food Scrap Recycling, up 71 tons—from 65. Solid waste has decreased, down 3758 tons from 3983; E-waste has also decreased.
- The Department planted 100 trees in public spaces, and worked with the Tree Commission to ensure right tree, right place.

Looking Ahead FY 2023-24

- The Department will be adding a new laborer to the Water Department to face the challenge of aging water infrastructure and the increasing need for frequent repair and replacement.
- In addition, repairs on water system facilities involve expenses that will be paid out of the General Fund.
- The Water Meter Replacement Project is a costly and involved project that will impact all water system customers. More information can be found on the Village Projects page of the tarrytownny.gov website.

Department Description

The Department of Public Works (DPW) is responsible for the overall operation and maintenance of the Village's Sanitation, Water, Highway - and the Village fleet of vehicles. The Department employs thirty (30) people among all operating divisions.

Residents may call DPW to report problems regarding trees, sidewalks, street flooding, street lights and signs, leaf pick-up, snow plowing and road de-icing, storm drains and sanitary sewers, garbage pickup, recycling, rubbish and metal pickup. The village website allows for residents to provide requests.

Department of Public Works

ADMINISTRATION is responsible for management of the Public Works operations, budget preparation & capital planning, file maintenance, payroll, invoice preparation, reviewing and issuing Street Opening permits and inspection and approval of work done. Administration is responsible for completing and filing annual waste and recycling reports with Westchester County and New York State. Administration reports complaints and follows through with utility companies (Con Ed, Metro North, Westchester County DPW, NYS DOT and NYS Thruway). Administration also oversees street paving projects, large drainage projects and sewer projects. One (1) part-time employee, the General Foreman and the Superintendent comprise the administration of the department.

CENTRAL GARAGE is responsible for the Village's fleet maintenance program, generator maintenance, parts inventory and vehicle inspection. The village currently has a fleet of over 100 vehicles including equipment. The Village has three employees in this division headed by a foreman and two mechanics.

HIGHWAY is responsible for maintenance of the Village roadway infrastructure encompassing 24.92 center-lane miles, street sweeping, snow removal, sidewalk repairs, tree maintenance and planting, fall leaf collection and weekly metal collection. The Highway Foreman oversees a staff of four (4) MEO's and eight (8) Laborers.

SANITATION is responsible for twice weekly residential garbage collection, once-a-week recycling collection, bulk waste pick-up and yard waste collection. The village also services commercial and multi-dwelling buildings. The Sanitation division includes one (1) Foreman, 2 MEO's and 4 Laborers.

SEWER is responsible for maintenance of sanitary and storm sewers and overseeing contractors inspecting and repairing sewer lines and other appurtenances. This division is part of the Water Division.

SIGN division repairs/removes/replaces street signs, regulatory signage and painting of crosswalks, stop-bars, parking spaces, parking lots and handicapped spaces, and collection of parking meters all performed by one (1) employee.

WATER department is responsible for the village-owned water supply system including transmission and distribution, purification and filtration, and administration including billing. Four (4) employees are assigned to the municipal water system that serves approximately 2500 separate accounts averaging 1.7 million gallons of potable water per day which is treated and pumped into the system. The Water Fund accounts for the accumulation and payment for the purchase and delivery of water, which includes principal and interest payment on long-term debt for maintenance and operation of the water system, secured by the general taxing powers of the Village. Expenditures are made from the Water Fund and funded by water rents and user fees during each fiscal year to fund the purchase of water and debt service payments to offset that year's debt obligations.

Highlights FY 2022-23

- Hired new Recreation Superintendent, Dan Walczewski following retirement of longtime Recreation Supervisor, Joe Arduino.
- Added a Winter/Spring K-2 Basketball clinic, Spring 2022 Golf Clinic, and Seasonal Yoga Program in Fitness Center. Recreation Department will receive 20% of revenue generated by these programs.
- Worked in partnership with Halloween Parade Committee on largest Halloween Parade to date which attracted an estimated 12,000 observers and participants.
- Launched Tarrytown’s first Dog Parade in conjunction with the Westminster Dog Show. As the Westminster Dog Show will not be returning to Tarrytown, the Dog Parade will take place after Labor Day at Pierson Park.
- Purchased a Skate Shack which will double as a guard booth, and be housed at the Organic Waste site for Public Works Department use in warm weather months.
- Purchased new umbrellas for pool this year. A new pool pump is also being installed in advance of the swim season, and the old pool pump is being refurbished for future use.

Looking Ahead: FY 2023-24

- In an effort to pay our seasonal staff more competitively due to a rising minimum wage, the Board of Trustees has approved a pay increase for camp and pool staff.
- The Department will be hiring a Senior Recreation Leader to focus on new and improved programming, as the Department increases offerings for young children and families.
- To improve summer camp offerings, the Department will be adding mini-camps following the conclusion of the regular day camp season.
- The Celebrations budget increased to accommodate the need for a barge this year for the July 4 fireworks, as the site previously used is now occupied by the Edge on Hudson Development. The Village shares the cost with Sleepy Hollow.
- Water consumption costs increased last year due to a pool leak, as well as frequent use of the Splash Pad. For FY 23-24, the camp will be located at the Washington Irving School, and the hours for the splash pad will be shortened.
- More funds will be allocated for Senior programming in FY 23-24. Classes to be added include computer classes and game meetups.
- Maintenance costs increase to keep up with repair and maintenance of aging facilities.
- Continue to increase Fitness Center membership through promotion, and opportunity for new member orientation.

Recreation Department

Department Description

The Recreation Department is committed to bringing the Tarrytown community together through special event activities and a menu of recreational seasonal programming.

Regular Programming:

- *Youth and Adult Sports:* Through partnerships with youth athletic leagues for soccer, baseball, softball and basketball, the Recreation Department supports youth and adult sports on Village fields at Lagana Park, Losee Field and the Lakes Field, as well as in collaboration with the School District for the use of their gymnasiums for winter basketball.
- *Seniors:* Senior Activities take place at the Senior Center located at 240 W Main Street adjacent to Pierson Park. With more than 300 members of the Senior Program, activities include exercise classes, bingo, movies, social events, computer classes, and a book club. The Senior Program also operates a Senior bus Monday to Friday to help with transportation for errands and doctor appointments.
- *Fitness Center Classes:* Instructors offer personal training sessions, yoga, Pilates and other exercise classes for Fitness Center members.
- *Camps:* Each summer the Department, in cooperation with Sleepy Hollow, operates day camps for tots, youth, and teens utilizing multiple Village and School District facilities.
- *Concert Series:* Thursday concerts at Pierson Park draw 300—400 people for 10 weeks in the Summer beginning in June. The Department also supports the Jazz Forum Arts concert series on Fridays at Pierson Park which draw between 400-500 people in July and August.

Seasonal Events:

The Recreation Department organizes and hosts a range of annual events to bring the community together including:

- Fines are now eliminated for all late library materials.

Looking Ahead: FY 2023-24

- The library will be hiring a part time cleaner to keep the library beautiful over the weekends.
- A lighting and HVAC update will take place in the children's room, providing better functionality and energy efficiency.
- Staff pay has been raised to better compensate our wonderful staff.

Department Description

The Warner Library is here for every person in our communities to use. We provide free services that include lending of printed, audio, video and digital materials, technological help, research assistance, print services and meeting room space.

The library completes these services by purchasing books and other materials for lending, as well as providing professional programming for people of all ages. Programs include movie showings, story times, book discussions as well as other recreational and informative sessions on a variety of topics. Currently the library employees 9 full time employees and 17 part-time employees to bring these important programs.

In 2022-23 our goals include removing late fines, increasing library programming and hours back to pre-COVID levels and completing a renovation of the second floor lighting. Additionally, the library will be hiring professional staff back in order to reopen on Sundays in the Fall of 2022, and we are undergoing a strategic plan process.
