**Lagana Park Survey
Village of Tarrytown**

ADDENDUM NO. 1

NOTICE is hereby given to prospective Bidders of the following information, clarifications, and modifications to the Bidding Documents for the Lagana Park Survey project. The Bidding Documents remain unchanged except as indicated below. Bidders must acknowledge receipt of this Addendum in the Bid Form and comply with the requirements for submission of Bids as set forth in the Bidding Documents.

INFORMATION

The answers below are provided in response to questions and comments submitted by prospective Bidders.

1. **QUESTION:** Is this subject to NYS Prevailing Wage since it is boundary and includes some amount of topographic survey?

ANSWER: Yes. This project is subject to prevailing wage as we expect the cost to exceed \$2,000.

2. **QUESTION:** Is this a partial topographic survey as the RFP states that invert elevations are needed? Are contours also needed?

ANSWER: The survey must include contour intervals of 1', North American Vertical Datum 27.

3. **QUESTION:** The RFP mentions "The building in the park currently occupied by the Elizabeth Mascia Childcare Center should be defined as a separate parcel" but it is on the same tax parcel. Are there deeds of record showing it as a separate parcel?

ANSWER: The Elizabeth Mascia Center is owned by the Village, but is currently leased for use. The building must be excluded from the parcel that was declared as parkland in 1971. We must reflect this on the boundary map at the request of the State. We have the lease agreement and a previous survey to assist with this boundary delineation.

4. In view of the is addendum and additional information to be incorporated into the proposals, the bid due date and bid opening have been changed to **Friday, May 3 at 11am.**
