

Village of Tarrytown

Downtown Streetscape Improvements

Spring/Summer 2022

Downtown Streetscape Improvements

- With a goal of supporting an aesthetically consistent, ADA-compliant, pedestrian-friendly downtown, the Village is launching the first phase of downtown streetscape improvements with the support of a Community Development Block Grant administered by Westchester County.
- Sidewalks on Franklin Street, Washington Street and Wildey Streets are scheduled to be replaced in 2022.
- The Westchester County Planning Department is assisting with design of the project.
- The project is scheduled to go out to bid in June 2022.
- As part of the sidewalk installation, 14 street trees will be planted, 9 of which will be in locations where trees were not planted previously.
- New pedestrian drop curbs will be added in multiple locations, and two new bike racks will be installed.
