

## PUBLIC HEARING

WHEREAS the increase in state and federal support for non-petroleum-based, renewable energy sources, including the desirability of solar energy generating facilities potentially provides for a significant increase in the number of property owners seeking to install small-scale photovoltaic system installations under 25 kW in size; and

WHEREAS the Village Board desires to streamline the application process for small-scale photovoltaic system installations under 25 kW in size by adopting the New York State Unified Solar Permit application form and implementing the new procedures.

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of the Village of Tarrytown will hold a Public Hearing at the regular meeting of the Board of Trustees on Monday, April 4, 2022 at 7:00 p.m. in the Municipal Building, One Depot Plaza, Tarrytown, New York to consider a local law to amend Chapter 97 of the Tarrytown Code, entitled Building Construction to add a new provision adopting the New York State Unified Solar Permit Application.
