**COUNTY OF DUTCHESS**  
**MARCUS J. MOLINARO**  
COUNTY EXECUTIVE

RECEIVED  
FEB - 5 2018  
TARRYTOWN VILLAGE  
ADMINISTRATOR

January 31, 2018

Drew Fixell, Mayor  
Village of Tarrytown  
1 Depot Plaza  
Tarrytown, NY 10591

Dear Mayor,

Over the past year, the reception to "ThinkDIFFERENTLY," Dutchess County's initiative to foster a welcoming and supportive environment for residents with special needs, has been nothing short of amazing. Since my first letter to municipalities across New York State in 2016, dozens of towns, villages and cities – both big and small, from every corner of our state – have adopted "ThinkDIFFERENTLY" resolutions, joining our efforts to change hearts and minds and include every individual of every ability into their communities.

In recent months, I have accepted invitations to travel throughout New York, sharing firsthand the "ThinkDIFFERENTLY" successes we have achieved not only in Dutchess County, but throughout our state; our initiative's website, [www.thinkdifferently.net](http://www.thinkdifferently.net), lists just a few of those many successes. I've met boys and girls, men and women whose lives have been positively impacted by the great work of those who share our "ThinkDIFFERENTLY" spirit and are looking to bring the message to their communities.

While we've made tremendous strides throughout New York, there's still work to be done to ensure all residents of all abilities feel a part of their community, given the same respect as their neighbors.

If your community has already joined our movement and passed a "ThinkDIFFERENTLY" resolution, I thank you for your support; given my personal connection to this initiative, I'm grateful for your efforts to make New York more inclusive to all. If your community has not adopted the enclosed "ThinkDIFFERENTLY" resolution, I respectfully ask you and your board to consider it for adoption.

As the Dutchess County Executive, I feel "ThinkDIFFERENTLY" is a great opportunity to unite residents for a common good, one that protects some of our most vulnerable residents. As the father of a child on the autism spectrum, I want my daughter to grow up in a compassionate society, one that looks past what makes her different and instead lifts her up and looks at her innate ability.

I encourage you to call me at (845) 486-2000 or e-mail me at [countyexec@dutchessny.gov](mailto:countyexec@dutchessny.gov), should you need more information. I'm also happy to come to your community and personally share our "ThinkDIFFERENTLY" message with your community. I appreciate your attention to my request, and I look forward to hearing you and your community also "ThinkDIFFERENTLY" about every resident of every ability.

Best regards,

Marcus J. Molinaro  
Dutchess County Executive

3 **Resolution**

4 **Resolution Calling On Town/Village/City of \_\_\_\_\_, Residents And**  
5 **Business Owners To Adopt The “Think Differently” Initiative To Assist Individuals**  
6 **With Special Needs And Their Families**

7 **WHEREAS**, the “Think Differently” initiative is about promoting awareness and acceptance of  
8 all people, and advocating for the inclusion of all individuals living on the Autism Spectrum and  
9 with special needs; and

10 **WHEREAS**, our state and communities are stronger because of our diversity and differences;  
11 and

12 **WHEREAS**, according to the Center for Disease Control (CDC) over 55 million people, or  
13 approximately 19% of Americans, have a type of disability or special need; and

14 **WHEREAS**, for some people with special needs, the very things that make them unique can  
15 also keep them on the sidelines, separate from those who might not understand their differences  
16 or uniqueness; and

17 **WHEREAS**, it is important to promote and provide guidance to those with special needs on  
18 how to access publically supported services available to them in the community; and

19 **WHEREAS**, it is important to encourage and educate the community and businesses on ways  
20 they can make facilities and services more accessible and on how to train staff to welcome and  
21 support special needs customers and co-workers; and

22 **WHEREAS**, the goal of this initiative is to provide a supportive and inclusive environment for  
23 individuals of all abilities by supporting community events that expand family friendly  
24 opportunities for people with special needs and their families; and

25 **WHEREAS**, adopting the “Think Differently” initiative is an important statement that our  
26 Town/Village/City officials, business owners and residents can make to show their support for  
27 the differently-abled children and adults with special needs, and their families.

28 **NOW, THEREFORE, BE IT RESOLVED**, that the Town/Village/City of \_\_\_\_\_,  
29 residents and business owners to adopt the “Think Differently” initiative so that all are better  
30 prepared to communicate with, provide for, and support those living on the Autism Spectrum  
31 and with special needs.

Howard,

Good morning. I'll put together a quote for you. One question - what style of meter or meters are you thinking? I know in the past you have ordered Tru/flo compound meters as well as Protectus and HP Fire Turbine. We also now have a Krohne mag meter which is great to work with especially in the larger sizes due to its accuracy, light weight, and small size.

Let me know.

Thanks,  
Yasemin

Dear Howard:

Below please find a quote for the large meters that you requested. The prices are for the meter only and do **not** include installation.

According to our records the 2" meters installed in the Village are T-10s. However, we have included pricing for both T-10 and Tru/flo compound meters in the 2" size. Also according to our records the 8" and 10" meters in the Village are Protectus. The remaining sizes, 3", 4" and 6", are Tru/flo compound meters. The Krohne meters I mentioned previously have a shorter lay length and would not be a good direct replacement.

<u>Quantity</u>	<u>Description</u>	<u>Price/unit</u>	<u>Total</u>
38	2" T-10 meter with Ecoder R900i register (ED2J11RWF3) For pit locations	\$652	\$24,776
